2. Rents and incentives

Effective rents for two-bedroom apartments averaged A$1,085 a week in the quarter, 3.1% below the budget of A$1,120, after we increased incentives from two to four weeks free rent in July to compete with two new buildings in Hornsby and Waitara.

3. Forecast

We forecast occupancy of 85.7% by December 2026 and 92.3% by March 2027, reaching 93.4% in April 2027 if current leasing rates hold.
