Table 1. Valuation summary

We assess the market value of Calder Hills as is at A$205.0M, a reduction of A$6.5M from our March 2026 value. The reduction reflects the slower lease-up, higher incentives and the cost of reaching stabilisation.

On stabilisation, we assess the value at A$212.0M. The Northbridge offer of A$214.0M is consistent with this value.
