1. Proposal

Tidewater Communities is seeking a senior facility of A$65.0M for Harbour Point, a 412-lot residential community on 46.2 hectares at Burpengary East in the Moreton Bay region. The facility would refinance an existing A$22.0M land loan and fund civil works for stages 1 and 2, which together comprise 210 lots.

Development approval for stages 1 and 2 was granted on 14 August 2026. Applications for stages 3 and 4 are under assessment by council and are not part of this request.

Figure 1. Harbour Point staging plan (schematic)

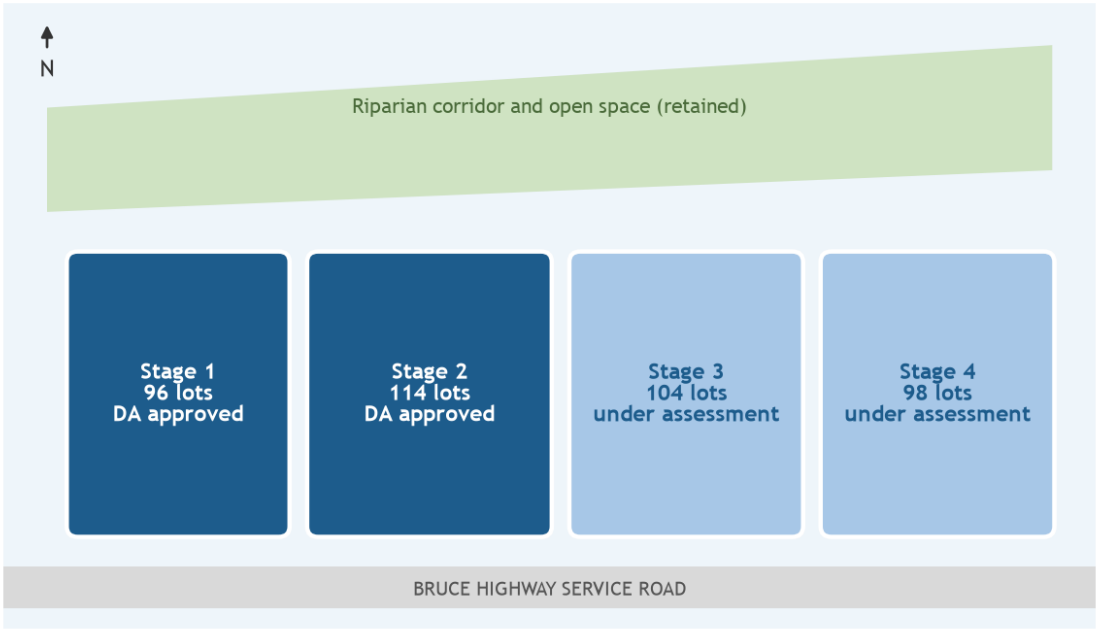

Figure 1. Staging plan (schematic, not to scale)

2. Project costs and funding

Item	A$M
Land (acquired February 2025)	38.5
Civil works, stages 1 and 2	31.6
Contingency	3.2
Finance fees and capitalised interest	8.2
Selling, statutory and other costs	9.0
Total project cost (stages 1 and 2)	**90.5**

Table 1. Project costs, stages 1 and 2

Tidewater's equity in the project is A$25.5M, comprising land equity and cash. On these figures the requested facility represents 71.8% of total project cost.

3. Sales

Pre-sales for stages 1 and 2 opened in August 2026. 64 lots, or 30% of the 210 lots, are under unconditional contract with 10% deposits held in trust.

4. About Tidewater

Community	Location	Lots	Completed	Outcome
Kingfisher Reach	North Lakes	612	2016	Sold out
Wattlebird Estate	Narangba	438	2019	Sold out
Pelican Bay Rise	Redcliffe	284	2021	Sold out
Sandstone Park	Caboolture	520	2024	Final stage settling

Table 2. Recent communities

Tidewater has delivered twelve communities and around 3,800 lots in South East Queensland since 2008.
